Betreff: Re: Weihnachtsgrüße aus Mittenwald - Geigenbau Leonhardt

Mr. Leonhardt,

Thank you so much for remembering us during this special season of the Year.

This week, we received the beautiful Christmas card from you and your business in Mittenwald, Germany. I will never regret having purchased this violin from you for my daughter, Natalia. She enjoys playing it every day, and we hope she one day can play it on an orchestra.

Again, Merry Christmas and a very Happy New Year. ❄️🍷🎈
